## **Acts of Parliament**

All the Acts of Parliament (and Statutory Instruments) on this website are now available as texts, instead of pdf files. This means they are easier and quicker to search, and text can be copied more accurately.

To find the Act you were looking for, simply change '.pdf' to '.html' in the address bar at the top of your browser window.

My apologies for any inconvenience.

This notice will be removed on 30 June 2021
